Readings from Suggestions for Pastoral Councils

Stephan Howe – Chapter 2: Seeing the Local Church as the Diocese of Oakland

We should extend the view of our local parish church to include the whole diocese of Oakland.

We must also be aware of the core values emanating from the vision and mission of our church/diocese: accountability, collaboration, spirituality and diversity.

Reactions to the the reading:

Norah had some things for us to think about at St. Leo's:

How are parishioners deepening their lives at St. Leo's?

Do the parishioners have adequate social events?

We should encourage young adult participation.

Do we look at people as possible future council members?

Other faith community relationship.

How do we rate our success? ...with our mission statement? ... with the happiness of the parishioners?

Pastor's Report

There were no questions on the 2003 budget that was submitted last month. The hoped-for goal for 2003 has increased due to increases in the costs of employee benefits and property insurance and the net result of too small increases for 1997-2001.

Faith Formation

Currently Sunday Adult Scripture will not be held until February, 2003 due to lack of attendance.

Pastoral Assistant Report

School Report

Sonya – Catholic Schools Week is coming at end of the month. Maybe there should be something in the bulletin, possibly for teacher recognition.

Old Business: None

New Business

There was a discussion of the bulletin's Social Justice Ministry Corner and potential future topics to achieve a balance of topics in line with Christian conscience.
