The Importance of Estate Planning

# WILL POWER

- The purpose of this Presentation is to place estate planning in the context of your life-long goals and commitments, and to suggest the possibility of including the Parish in these plans.

# WILL POWER

- Your Estate consists of all property (real and personal) and your interests in all of property that you own.

# WILL POWER

- Without an estate plan, you will have nothing to say about the distribution of your estate.

# WILL POWER

- Without an estate plan, the State of California decides who will receive your estate. This is called Probate.

# WILL POWER
